Southwest Louisiana Teachers of Mathematics
Minutes of the 4-1-2003 Executive Board Meeting

The executive board of the Southwest Louisiana Teachers of Mathematics met on Tuesday, April 1, 2003, in Kirkman 100 at McNeese State University. Present were Mesuch, Watkins, Pilgreen, Kussmann, L. Bradley, S. Bradley, and Mead. Absent were Hamilton, Conner, McGee, and Chafin.

Sue Pilgreen reported that an ad had been placed on the front page of the American Press for the following day. The cost was $135.

Many details of the conference were discussed. Sid Bradley, Linda Bradley, and Sally Shepherd will handle the food. There will be pizza, salad, cookies, and cokes.

Door prizes were discussed. A list of all companies and individuals donating door prizes will be listed in the program and on the web site.

Kay Kussmann reported on presenters for the conference. She reported that we have enough people.

For our new officers to be elected, we have Staci Reed as President-Elect and Sid Bradley as VP for Colleges & Universities. We still need candidates for VP for Elementary Schools, VP for Middle Schools, and VP for High Schools. Several potential candidates were discussed. Kay Kussmann will contact these and present a slate of officers at Friday’s conference during the business meeting.

The new web page was discussed. Suggestions made included putting a link to LATM, Literary Rally, and info about the Outstanding Math Teacher.

Respectfully submitted,
Sue Pilgreen
Secretary/Treasurer
