The Executive Council of the Southwest Louisiana Teachers of Mathematics met on April 18, 2002. Those present were Sid Bradley (VP for colleges & universities), Kay Kussmann (LATM representative), Lori McGee (VP for high schools), Sue Pilgreen (secretary/treasurer), and Dr. George Mead (Dean of the MSU College of Science). Kathy Chafin (president), Patty Hamilton (president elect), Linda Bradley (NCTM representative), Lucie Mesuch (VP for middle schools), and Barbara Watkins (VP for elementary schools) were absent.

Kussman led the discussion about the upcoming mini-conference on April 27. Topics discussed were travel/honorarium for the speaker, contacting mathematics education students to attend, and acquiring additional speakers for the sessions.

Bradley was assigned to secure the logo banner and 4 dozen t-shirts for sale. He will also take care of all refreshments and the lunch.

Pilgreen was assigned to place an ad in the American Press. The ad will be paid for by DMCS. She will take care of registration at the door and nametags.

McGee will take care of door prizes and hospitality bags.

The regular business meeting will be held at the conference. The only business is the election of the new slate of officers as provided by the constitution.

Respectfully submitted,

Sue Pilgreen
Secretary/Treasurer
